BE PATIENT!

SOME GOODS ARE STILL SCARCE...

DON'T CONFUSE THE SIGNALS

War came. Most civilian goods had to be diverted to war needs. That caused shortages of civilian goods—that was the **RED LIGHT**

don't jump the **YELLOW** light

Some restrictions have been lifted, but war demands are still great. We must help our Allies and the liberated countries. We can't neglect them.

*(This is the **YELLOW LIGHT ONLY**).*

It does not mean the end of shortages. Getting back to peacetime production will be piecemeal and gradual.

Goodwill, patience and energy now will assure a prosperous Canada tomorrow.

it's **NOT** the green light yet

Only after Victory over Japan can the Green Light be switched on, and the road cleared for enough production to meet all our civilian needs.
